

Registration Update

Effective immediately, Pilgrim Rest is suspending the online registration process to attend Sunday worship services for members, guests and volunteers. We are not abandoning the registration process as it will continue on-premises in a streamlined version, which simply requires individuals to acknowledge five (5) statements of compliance. The new process will consist of the following three (3) steps:

1. Acknowledge five statements of compliance, which will be displayed on a vertical sign as individuals approach and or enter the sanctuary.
2. Submit to a temperature scan before entering the sanctuary.
3. Wear a mask, which covers the nose and mouth, and display confirmation (to be determined) of having completed steps one and two.

In addition to streamlining the registration process, Pilgrim Rest has increased its seating capacity to 25 percent or 650 individuals per service. Please note that due to the currently imposed seating capacity, there is still a possibility that individuals may be turned away. Should we reach the capacity limit of 650 people, we will kindly ask additional guests to join us for one of our virtual services.

There is no longer any reference to travel restrictions. Recent CDC guidelines indicate that air travel while wearing a mask and following other safety protocols has been deemed to be a lowrisk activity. In addition, the increased number of vaccinated individuals has helped make travel safer.

We hope that these changes will result in easier access without compromising the safety of attending in-person worship services.

To ensure that CDC guidelines and recommendations regarding crowd size are adhered to, members and guests will be required to register for service through our registration portal. Registration will include a COVID-19 waiver. No one will be able to register without checking the waiver box, and your registration request is not guaranteed:

1. I confirm that I nor anyone in my household with whom I have had direct contact exhibited any symptoms such as fever, cough, shortness of breath, loss of taste or smell, muscle weakness, or fatigue in the past 14 days?
2. I confirm that I nor anyone in my household have been tested for Covid-19 and received a positive diagnosis in the past 14 days?
3. I confirm that I am willing to wear a mask that covers my nose and mouth for the duration of my time on the Pilgrim Rest campus?
4. I confirm that I will comply with the requirement to submit to a temperature check prior to entering buildings and participating in on-campus events or activities?
5. I confirm that if my temperature is equal to or above 100 degrees Fahrenheit or am exhibiting visible symptoms that may potentially be associated with Covid-19 and/or another transmittable virus or illness, I am willing to comply with a potential request for me to immediately leave the premises to seek medical attention or treatment?
6. If you cannot affirm your compliance with all the statements above, we reserve the right to reject your registration request and invite you to join one of our virtual services?
